Subject: FYI: Deschutes TMDL Joint Status Report Filing Today

DELIBERATE

Dave— As mentioned at staff meeting Monday, today DOJ and plaintiff are filing a joint status report in Northwest Environmental Advocates v EPA, USDC, W.D. of Washington. This case alleges EPA failed to carry out its nondiscretionary duty to approve or disapprove the Deschutes River TMDLs within thirty days after submission by the State. The TMDL submission by the State involves 73 water segments and 5 pollutants, and was submitted in 2015 and supplemented in 2017. FOIA exemption (b)(5)

Happy to discuss the TMDL timing issue as we move forward.

Thanks

John
